

Erasmus+ Internship: Experience & Event Coordinator at FEEL Surf Camp Las Palmas

Are you a social, outgoing person who lives for the ocean and meeting new people? At **FEEL Surf Camp Las Palmas**, we are looking for a dynamic intern to join our team in the sunny Canary Islands.

Since 2012, we've been more than just a surf school—we are a community built on team spirit, entertainment, and a horizontal company culture. If you want to learn how a lifestyle business operates from the inside while catching waves every day, this is for you!

Your Role: The "Heart" of the Camp

We are looking for students of **Hospitality, Facility Management, Events, or Tourism** to help us manage the guest experience and the "vibe" of the camp.

Your main responsibilities:

- **Guest Journey Management:** You will handle the full workflow—from pre-arrival communication to check-ins, weekly follow-ups, and check-outs.
- **Event Coordination:** Plan, coordinate, and execute weekly social events and activities for our guests.
- **Social Catalyst:** Your mission is to connect people! You'll be the bridge that brings guests together, fostering a friendly and inclusive atmosphere.
- **Digital Content & Sales:** Create engaging content for our social media, promote interaction on our profiles, and handle inquiries (with a **reward/commission system** for sales).
- **Team Liaison:** Coordinate communication between our three core areas: the Surf Camp (accommodation), the Surf School, and the local community.
- **Creative Input:** Propose new events based on your creativity or by scouting current happenings in Las Palmas de Gran Canaria.

Who are we looking for?

- **The Social Butterfly:** You are extroverted, love talking to strangers, and have a natural ability to energize a group.
- **The Multitasker:** You can handle the logistics of a check-in while thinking about the next sunset social.
- **The Creator:** You are spontaneous, creative, and comfortable in front of (and behind) a smartphone camera.
- **The Team Player:** You value horizontal hierarchy and want to grow within a supportive, experienced team.
- **The Ocean Lover:** You are eager to embrace the surf lifestyle.

What's in it for you?

- **Surf All Day:** Full access to **surfboards and wetsuits** during your entire internship.
- **Learn to Shred:** We include **5 free surf lessons** with our professional instructors.

- **Financial Perks:** Commission and reward system for sales and bookings handled by you.
- **Real Responsibility:** A chance to manage projects and events from scratch.
- **Housing Support:** While we **do not provide accommodation**, we will personally help you find the best flat-shares and locations in Las Palmas so you feel at home.

 **Ready to join the FEEL family?**

We want to see your personality, not just your grades!

1. **Send your CV** to: info@surfcampalpalmas.com
2. **The "Plus" Factor:** We highly value a **short video (60 seconds max)** introducing yourself. Tell us why you are the perfect fit for a surf camp and show us your energy!
